## Search Notes

Dear Examiner Bartley:

Please find attached the results of your search for the above-referenced case. The search was conducted in the Business Methods Template databases appropriate for the application.

I have listed *potential* references of interest in the first part of the search results. However, please be sure to scan through the entire report. There may be additional references that you might find useful.

Dialog search results are presented in two formats, Word (.doc) and Acrobat (.pdf).

To navigate this document: use FIND function {Ctrl-F}

~~ will find the beginning of each group of results

^ will find the tagged items

Information on Dialog databases can be found at: <http://library.dialog.com/bluesheets/>

If you have any questions about the search, or need a refocus, please do not hesitate to contact me.

Thank you for using the EIC, and we look forward to your next search.

...results of a survey sent to all MPCP elementary schools indicated that there was considerable variety in what is being defined as art instruction and in how art instruction is being delivered. It also found that only 31% of the schools...

...that were interviewed for this study generally felt that art education is important and gave multiple reasons to justify their view. Yet few had considered art instruction when choosing the MPCP school that their child attends.

In the case of the...  
...Many choices remain in the hands of the MPCP schools rather than parents. Furthermore, it would appear that social-economic status may influence the art education of children even in this choice environment.  
The field of art education is urged to take a pro-active position in light of this and other educational reform initiatives.  
Suggestions for future research are included.
